

*We're so grateful
you have entrusted us with
the care of your precious one.*

He called a little child to him,
and placed the child among them.
And he said: "Truly I tell you, unless you
change and become like little children, you
will never enter the kingdom of heaven.
Therefore, whoever takes the lowly
position of this child is the greatest in the
kingdom of heaven. And whoever
welcomes one such child in my name
welcomes me.

Matthew 18:2-5 NIV

Welcome

to Grandview Nazarene Church

Here are a few things we would like you to know...

The following are pertinent excerpts from our Children and Youth Protection Policies and Procedures:

Check-In & Check-Out

Early Childhood Children (*from birth to kindergarten*) must be signed in and out by a parent or authorized caregiver. When they sign in they will be given a number that must be returned in order to pick up their child.

Elementary Children (*from 1st-6th grade*) must be picked up by a parent or an authorized caregiver unless a one-time waiver form is signed (*located to the right*).

Teens do not require an escort for dismissal from age-level programming.

Wellness

While we welcome all children and youth, the one time we would rather they stay home is when they are not feeling well. If the following symptoms are present, we ask that your child not participate in age-level programming for the health of other children and volunteers:

- ♦ Fever over 99 oral (not including fever associated with teething)
- ♦ Vomiting in the last 12 hours
- ♦ Diarrhea in the last 12 hours (in case of flu symptoms)
- ♦ Skin rashes or eruptions of unknown origin (impetigo, measles, chicken pox, etc.)

**If your child contracts any of these or another contagious illness, please notify the church office at 816-763-6891. The church office will pass information along to others who may have been exposed.*

- ♦ Persistent coughing associated with respiratory infection, including cold, bronchitis, and pneumonia.
- ♦ Pink eye that may have a colored discharge or drainage.
- ♦ Parasites, any form of lice, mites, or ring-worm.

Reporting Abuse

Though we have safeguards in place to protect against it and we pray it never happens, if you *ever* suspect your child has suffered abuse of *any* kind while in our care, please contact the pastor *immediately*.

Public Images

We sometimes take pictures or video of events such as Vacation Bible School, Christmas Plays, Kids Splash etc. and use them to celebrate or promote attendance via Facebook, church website, etc. Your child will not be identified by name in the photos. However if you would prefer your child not be included in these photos, please let the pastor know.

Elementary Dismissal Waiver

If your child is in 1st-6th grade you may complete the following information giving them permission to leave their program without being escorted by you.

♦ Child's Name:

♦ Parent/Authorized Caregiver's Name:

♦ Parent/Authorized Caregiver's Signature:

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."
